Dear Sir:

This replies to the Notice Regarding Drawings and the Notice of Draftsperson's Patent Drawing Review (PTO-948) mailed June 24, 2004. A copy of the Notice Regarding Drawings and the Notice of Draftsperson's Patent Drawing Review are enclosed. As a result of telephone discussions and subsequent investigations by Examiner Hug, it has been learned that the problem referenced in the Draftsperson's review is a result of the PTO's drawing scanning process and not a problem with the original formal drawings.

In order to expedite the issuance of the above-identified allowed application, replacement copies of the previously submitted formal drawings are attached.

Since the nature of the present problem is administrative within the PTO, no fee is believed warranted or necessary.

Respectfully submitted,

FOR: DAVID D. MCKAY, ET AL.
